Department of Health Care Services February 7, 2015 No Claim Activity Provider Deactivation

The Department of Health Care Services (DHCS) recently deactivated certain providers pursuant to Welfare and Institutions Code Section 14043.62 (a) which requires providers to be deactivated for no claim activity with the Medi-Cal program for one year. If you recently received a letter from the DHCS, Provider Enrollment Division, stating that you will be deactivated, **this does not impact your enrollment status with the Denti-Cal program or your ability to bill for services through Denti-Cal.** If you are having trouble verifying eligibility, please contact the Provider Customer Service Line at (800) 423-0507.
